APM 25/3 Annual Report of the Claxton & Sand Hutton Parish Council

- During the year we welcomed two new councillors from Sand Hutton making a total of 5 councillors for the Parish Council.
- We have viewed, studied and commented on several planning applications over the course of the year. These comments based on local knowledge are sent to Ryedale Council which was the decision making body.
- Various road defects have been reported and rectified.
- The street lighting has been changed to a more efficient LED form of illumination which will be substantially cheaper to run.
- In Claxton the issue of vehicle speeding is being addressed by the introduction of white gates at the entrance to the village, and a community speed watch programme has been under way, with offenders being reported to the police for further action.
- The litter pick this spring was well attended
- We have had a change of Parish Council Clerk, and there has been a lot of work to handle the changeover. Gill Gimes has been doing a terrific job in the post
- The Parish Council website is established and working.
- Most importantly I would like to thank the Parish Council team and all those who voluntarily give their time to make our parish a better place to live in.
